

25TH MARCH Celebrations

① THANKS to BISHOP - TATER Stephanos
- ΠΑΤΕΡΑ ΜΗΑ.

② Tell people why we could not
organise something bigger.

③ Importance of 25TH MARCH.

It is symbolic of yesterday's trauma

Today we again appreciate
what the day means

④ Role of Outside Greek &
These Organisations:

Church & Community.

G.M. Greek outside can
bring about results.

⑤ We must start now - to influence
the outside world - to
remove the BARRIERS from before
to create the rebirth of Today

⑥ We must all together assist
so that the spirit of 25th March
can be reborn - ΕΘΝΟΣ ΜΗΑ
ΤΙΜΗΛΗ!

25th MARCH Celebrations
Held on 30th March 19

① THANKS to Bishop for making
today possible & to Father
Stephane & Maria -

Tell people why it was
difficult to organise something
Bigger.

②. Tell people why 25th MARCH
so important. We must not
understate the day - It is
symbolic of yesterday & tomorrow.
The Greeks will defeat
this day -

Possibly likely we neglected
the day - But today that
Barbarism has again shown
itself & against Hellomania
~~perhaps~~ perhaps we appreciate
what the day means -
Perhaps we ~~has~~ new

②
Plea for what the day means
to the Greeks outside of
Greece - who then had
such an important role
to play.

③ Importance of local Arguments

I have said it in the
past - I say it again -
that we have to submit
an local argument on
behalf of it - although
this is what History will
repeat itself - be allowed
to put pressure on the
world with regard to the
Barbarians - It is only
through the letter can get
History - for here to present -
That is all we ask let
us assist.

③
Remember if the 25th March
is to be anything in the
evening - we have to
start from now -

Outside World
pressure brings results
we have seen this -
Vietnam, Egypt, Portugal
- England - Rhodesia etc.

④ We can be the cause
of the outside World
Pressure - to
assess 4 Hellens
- Germany the Balkan
from Cyprus - so
press for it or create
the world of Today
This time.

I ask / please do not
underestimate ourselves -
- If all of you Agnists
keep the pressure up
we will bring about
results with the
help & Will of God.

It is your duty to guide
your children to the Hall of
Fellowship - it is our duty
to redouble the glory that
we as Agnists to the world. —

Let us all be all
united in faith & effort.

Do not think that
the problem will be solved
locally - to do it is done.

①
can force pressure -
- let the S.M. Greeks
show that they believe -
the Spirit of 25th of March
so that the ETHIOPIANS can be
heralded.
